Detective Young was then recognized for having recently received the above-named award for arduous work he performed on a case in 2022 that resulted in a child predator being sentenced to fifty years in the federal penitentiary.

VII. Open Forum

Mayor Johannesen explained how Open Forum is conducted, asking if anyone would like to come forth and speak at this time.

Debra Obera
548 Granite Fields Drive

Rockwall, TX

Mrs. Obera came forth to express concerns about firecracker abuse within the city limits. This past weekend, she explained, was horrible, horrific and scary within her neighborhood. She could not even call the Rockwall Police Department because there were so many explosives being set off that, even if the Rockwall PD responded, there was so much going on that they would not have enough staff to respond. She believes people don't realize how much damage fireworks can cause and how dangerous they can be, including injuries and houses potentially getting burned down. She knows there are ordinances against the possession and setting off of fireworks within the city limits. She is a nurse, and she has seen so many injuries behind this type of activity (setting off fireworks). She wonders what can be done to stop this activity within the city limits. She went on to explain that when she first moved to Rockwall, fireworks being set up was minimal; however, it has progressively gotten worse, and it is now like a 'war zone.' She wants to know why the city cannot control things like this. She wonders if there is more that can be done.

Mayor Johannesen shared that the city council can pass ordinances. Also, residents observing the law being broken should call and report those crimes to the Police Department.

Mrs. Obera shared that the ordinance is already in place, but it is not being followed.

There being no one else wishing to address Council, Mayor Johannesen then closed Open Forum.

VIII. Take Any Action as a Result of Executive Session

Council came out of post-public meeting Ex. Session and reconvened the meeting at 7:13 p.m., taking the following actions:

Mayor Pro Tem Campbell moved to authorize the City Attorney to draft a second amendment to the City Manager's (employment) Agreement and authorize Mayor Johannesen to execute said amendment. Councilmember Thomas seconded the motion, which passed by a vote of 7 ayes to 0 nays.

TO: Mayor and City Council
DATE: January 16, 2024
APPLICANT: Pare Underwood and Haley Crespo
CASE NUMBER: Z2023-054; *Specific Use Permit (SUP) for an Event Hall/Banquet Facility at 303 E. Rusk Street*

SUMMARY

Hold a public hearing to discuss and consider a request by Pare Underwood on behalf of Annette Lall of HIS Covenant Children, Inc. for the approval of a Specific Use Permit (SUP) for an *Event Hall/Banquet Facility* on a 0.689-acre tract of land identified as Lots A & B, Block 2, Griffith Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 303 E. Rusk Street, and take any action necessary.

BACKGROUND

The subject property was annexed prior to 1900 based on the October 1900 Sanborn Maps. According to the Rockwall Central Appraisal District (RCAD), existing on the subject property are a 3,980 SF *Office Building* and a 4,209 SF *House of Worship*. The *House of Worship* was constructed in 1910, and -- based on the 1934 Sanborn Maps -- the *Office Building* was constructed after 1934; however, the Rockwall Central Appraisal District (RCAD) lists both buildings as being constructed in 1910.

FIGURE 1: 1900 SANBORN MAPS

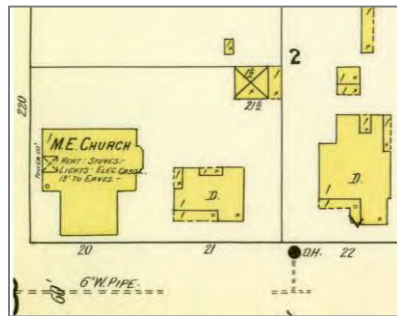

FIGURE 2: 1911 SANBORN MAPS

FIGURE 3: 1934 SANBORN MAPS

On August 21, 2003, the Historic Preservation Advisory Board (HPAB) established the subject property as a *Landmark Property*. Staff should note that the *Landmark Property* status generally applies to the *House of Worship* portion of the building; however, the *Landmark Property* status affects the entire property. This means that the *Office Building* is subject to the requirements of **Appendix 'D'**, *Historic Preservation Guidelines*, of the Unified Development Code (UDC). The subject property was also placed on the *National Register of Historic Places* by the National Park Service in 2007.

Staff should note that this case was based on a Neighborhood Improvement Services (NIS) referral that was initiated due to an active zoning violation case (*Case No. CE2023-5818*). The violation case was initiated after it was brought to staff's attention that an *Event Hall/Banquet Facility* was operating within the *Office Building* on the subject property without a Certificate of Occupancy (CO). In talking to the applicant, the applicant has stated to staff that she contacted the City in March 2023 to inquire about the need for a Certificate of Occupancy (CO), and that the City -- and the property owner of the *Office Building* both -- stated that she did not require a Certificate of Occupancy (CO). Staff should note that prior to November 2023, it was the City's policy that if a permitted *by-right* land use, did not have direct access to the exterior of a building (*i.e. only had direct access via a common corridor in a building*), that a business did not require a Certificate of Occupancy (CO); however, this policy was amended in November 2023 to require all businesses to obtain a Certificate of Occupancy (CO). This policy change was due to land use issues concerning another Certificate of Occupancy (CO) request. With this being said, the proposed land use (*i.e.*

an Event Center/Banquet Facility) requires a Specific Use Permit (SUP), and is not a permitted *by-right* land use in the Downtown (DT) District. Staff should also note that the applicant has been cooperative in working with staff to remedy the zoning violation. In addition, representatives of the Building Inspections and Fire Departments have performed cursory inspections, and verified that the current business meets all applicable health and safety requirements.

In this case, the Historic Preservation Advisory Board (HPAB) was required to review the case and act on a Certificate of Appropriateness (COA) for the proposed land use prior to the Specific Use Permit (SUP) being reviewed and acted upon by the Planning and Zoning Commission and City Council. On December 21, 2023, the Historic Preservation Advisory Board (HPAB) reviewed the **applicant's request** for the *Event Hall/Banquet Facility* and approved a motion to approve a Certificate of Appropriateness (COA) (Case No. H2023-022) by a vote of 4-0, with Board Members McNeely, Litton, and Gaskin absent. The approval of this Certificate of Appropriateness (COA) is essentially a recommendation for approval of the Specific Use Permit (SUP) from the Historic Preservation Advisory Board (HPAB).

PURPOSE

The applicant is requesting approval of a Specific Use Permit (SUP) for the purpose of allowing an *Event Hall/Banquet Facility* on the subject property.

ADJACENT LAND USES AND ACCESS

Fannin Street), one (1) developed with a house of worship (306 E. Rusk Street), and one (1) vacant parcel. All of the properties are zoned Downtown (DT) District. Beyond this is E. Washington Street, which is identified as a *TXDOT4D (i.e. Texas Department of Transportation, four [4] lane, divided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.**

FIGURE 4: LOCATION MAP

CHARACTERISTICS OF THE PROJECT

In accordance with **Appendix ‘D’**, *Historic District Guidelines*, and the *Land Use Schedule* contained within Article 04, *Permissible Uses*, of the Unified Development Code (UDC), following the approval of the applicant’s Certificate of Appropriateness (COA) from the Historic Preservation Advisory Board (HPAB), the applicant has submitted an application for a Specific Use Permit (SUP) to allow an *Event Hall/Banquet Facility* on the subject property. Based on information provided by the applicant, the proposed *Event Hall/Banquet Facility* (i.e. *The Flat*) is located on the second floor of the *Office Building* (i.e. *The Shops at Legacy Village*) situated on the subject property. The applicant has indicated that the space for the *Event Hall/Banquet Facility* is **1,116 SF in size and is designed to host “small gatherings.”** In addition, the applicant has provided a site plan that delineates the location of the *Event Hall/Banquet Facility* and identifies the number of parking spaces on the subject property.

CONFORMANCE WITH THE CITY’S CODES

According to Subsection 01.02, *Land Use Schedule*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC), an *Event Hall/Banquet Facility* is permitted by Specific Use Permit (SUP) in the Downtown (DT) District. In this case, the subject property is zoned Downtown (DT) District and must received a Specific Use Permit (SUP). With this being said, the subject property is also identified as a historic *Landmark Property* and is subject to the requirements of Subsection 06.03, *Historic Overlay (HO) District*, of Article 05, *District Development Standards*, and the *Historic Guidelines* contained in **Appendix ‘D’** of the Unified Development Code (UDC). Given this, the proposed *Event Hall/Banquet Facility* received approval from the Historic Preservation Advisory Board (HPAB) for a Certificate of Appropriateness (COA) (*Case No. H2023-022*) on December 21, 2023.

According to Table 5, *Parking Requirement Schedule*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), an *Event Hall/Banquet Facility* shall be parked at one (1) parking space per 100 SF. In this case, the applicant has indicated that the *Event Hall/Banquet Facility* is 1,116 SF and will require 12 parking spaces (i.e. $1,116\text{ SF} / 100\text{ SF} = 11.16$ parking spaces). Based on the site plan provided by the applicant, there are 27 parking spaces on the subject property. Given this, the applicant will reduce the number of available parking spaces to 15 for the remainder of the building. With this being

required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice in favor of the applicant's request.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) for an *Event Hall/Banquet Facility* on the subject property, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) The proposed *Event Hall/Banquet Facility* shall be limited to the area depicted in **Exhibit 'B'** of the Specific Use Permit (SUP) ordinance.
 - (b) The proposed *Event Hall/Banquet Facility* shall apply for and receive a Certificate of Occupancy (CO) upon approval of the proposed Specific Use Permit (SUP).
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On January 9, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the SUP by a vote of 6-0, with Commissioner Conway absent.

FIGURE 2: 1911 SANBORN MAPS

FIGURE 3: 1934 SANBORN MAPS

On August 21, 2003, the Historic Preservation Advisory Board (HPAB) established the subject property as a *Landmark Property*. Staff should note that the *Landmark Property* status generally applies to the *House of Worship* portion of the building. That being said, the *Landmark Property* status affects the entire property, meaning the *Office Building* is subject to the requirements of **Appendix 'D'**, *Historic Preservation Guidelines*, of the Unified Development Code (UDC). The subject property was also placed on the *National Register of Historic Places* in 2007.

Staff should note that this case was a Neighborhood Improvement Services (NIS) referral based on an active zoning violation case (*Case No. CE2023-5818*). **It was brought to staff's attention that an *Event Hall/Banquet Facility* was operating without a Certificate of Occupancy (CO) within the *Office Building*.** Staff should note that the applicant began operating before the City of Rockwall changed the Certificate of Occupancy (CO) requirements to require all businesses -- *regardless if they have direct access to the exterior of the building* -- to get a Certificate of Occupancy (CO). The zoning violation arose due to the *Event Hall/Banquet Facility* land use only being permitted through a Specific Use Permit (SUP) in the Downtown (DT) District. In this case, the Historic Preservation Advisory Board (HPAB) must review the case and take action on a Certificate of Appropriateness (COA) for the proposed land use, before the Specific Use Permit (SUP) may be reviewed by the Planning and Zoning Commission and City Council.

PURPOSE

The applicant is requesting approval of a Certificate of Appropriateness (COA) for the purpose of allowing an *Event Hall/Banquet Facility* on the subject property.

ADJACENT LAND USES AND ACCESS

The subject property is located at 303 E. Rusk Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is E. Kaufman Street, which is identified as a *R2 (i.e. residential, two [2] lane, undivided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.** Beyond this are four (4) parcels of land, three (3) developed with commercial land uses (*202, 204, & 206 N. Fannin Street*) and one (1) developed with a single-family home (*305 E. Kaufman Street*). All of these properties are zoned Downtown (DT) District. Beyond this is a public trail that provides access to Lofland Park.

South: Directly south of the subject property is E. Rusk Street, which is identified as a *TXDOT4D (i.e. Texas Department of Transportation, four [4] lane, divided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.** Beyond this are three (3) parcels of land, one (1) developed with a restaurant (*101 N. Fannin Street*), one (1) developed with a house of worship (*306 E. Rusk Street*), and one (1) vacant parcel. All of the properties are zoned Downtown (DT) District. Beyond this is E. Washington Street, which is identified as a *TXDOT4D (i.e. Texas Department of Transportation, four [4] lane, divided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.**

East: Directly east of the subject property is 305 E. Rusk Street, which is a 0.45-acre parcel of land with a ~2,203 SF child development center. Beyond this is N. San Augustine Street, which is identified as a *R2 (i.e. residential, two [2] lane, undivided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.** Beyond this is 401 E. Rusk Street, which is a 0.3444-acre parcel of land developed with a single-family home that is zoned Single-Family 7 (SF-7) District. Beyond this is 406 E. Kaufman Street, which is a 0.574-acre parcel of land developed with a 31,212 SF commercial building that is zoned General Retail (GR) District.

West: Directly west of the subject property is N. Fannin Street, which is identified as a *Minor Collector* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.** Beyond this are several parcels of land developed with commercial buildings that are zoned Downtown (DT) District. Beyond this is N. San Jacinto Street, which is indicated as a *R2 (i.e. residential, two [2] lane, undivided roadway)* **on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.**

CHARACTERISTICS OF THE PROJECT

In accordance with **Appendix 'D'**, *Historic District Guidelines*, and the *Land Use Schedule* contained within Article 04, *Permissible Uses*, of the Unified Development Code (UDC), the applicant has submit an application for a Certificate of Appropriateness (COA) to allow an *Event Hall/Banquet Facility* on the subject property. Based on information provided by the applicant the proposed *Event Hall/Banquet Facility* (i.e. *The Flat*) is located on the second floor of the *Office Building* (i.e. *The Shops at Legacy Village*) located on the subject property. The applicant has indicated that the space is 1,116 SF in size and is designed to host “small gatherings.” In addition, the applicant has provided a site plan that delineates the location of the *Event Hall/Banquet Facility* and identifies the number of parking spaces on the subject property.

CONFORMANCE TO THE HISTORIC DISTRICT GUIDELINES & CITY’S CODES

According to Subsection 01.02, *Land Use Schedule*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC), an *Event Hall/Banquet Facility* is permitted by Specific Use Permit (SUP) in the Downtown (DT) District. In this case, the subject property is zoned Downtown (DT) District and must received a Specific Use Permit (SUP). With this being said, the subject property is also identified as a historic *Landmark Property* and is subject to the requirements of Subsection 06.03, *Historic Overlay (HO) District*, of Article 05, *District Development Standards*, and the *Historic Guidelines* contained in **Appendix 'D'** of the Unified Development Code (UDC). Given this, the proposed *Event Hall/Banquet Facility* must also receive a Certificate of Appropriateness (COA) in accordance with Subsection 06.03(G)(6) of Article 05, *District Development Standards*, of the Unified Development Code (UDC), which states that a public hearing with the Historic Preservation Advisory Board (HPAB) is required before a decision can be made on a zoning recommendation. All that being said, the applicant must receive a recommendation of approval from the Historic Preservation Advisory Board (HPAB) for a Certificate of Appropriateness (COA) for the *Event Hall/Banquet Facility* before the applicant may seek approval of a Specific Use Permit (SUP) from the Planning and Zoning Commission and City Council.

According to Table 5, *Parking Requirement Schedule*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), an *Event Hall/Banquet Facility* shall be parked at one (1) parking space per 100 SF. In this case, the applicant has

indicated that the *Event Hall/Banquet Facility* is 1,116 SF and will require 12 parking spaces (*i.e.* 1,116 SF / 100 SF = 11.16 parking spaces). Based on the site plan provided by the applicant, there are 27 parking spaces on the subject property. Given this, the applicant will reduce the number of available parking spaces to 15 for the remainder of the building. With this being said, the subject property also has access to a public parking in front of the building along E. Rusk Street; however, these parking spaces cannot be used towards the required off-street parking requirements.

According to Subsection 06.03(G)(5), *Standards of Approval*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), “the Historic Preservation Advisory Board (HPAB) must approve the application for a Certificate of Appropriateness if it determines that ... the application will not adversely affect the character of the site; and the proposed work is consistent with the regulations contained in this section and proposed preservation criteria ...” In this case, the applicant’s request does not appear to have an adverse effect on the existing *Landmark Property* or any of the adjacent properties; however, the approval of a Certificate of Appropriateness (COA) is a discretionary decision for the Historic Preservation Advisory Board (HPAB).

NOTIFICATIONS

On December 12, 2023, staff notified 27 property owners and occupants within 200-feet of the subject property. At the time this report was written, staff had not received any notices regarding the applicant’s request.

CONDITIONS OF APPROVAL

If the Historic Preservation Advisory Board (HPAB) chooses to approve the request for a *Certificate of Appropriateness (COA)*, staff would propose the following conditions of approval:

- (1) Any construction resulting from the approval of this request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

APPLICANT: Dean Cathey
CASE NUMBER: Z2023-055; *Specific Use Permit (SUP) for Residential Infill in an Established Subdivision for 3601 Highpoint Drive*

SUMMARY

Hold a public hearing to discuss and consider a request by Dean Cathey of Dean Cathey Custom Homes on behalf of Chris Malek for the approval of a Specific Use Permit (SUP) for Residential Infill in an Established Subdivision for the purpose of constructing a single-family home on a 0.2070-acre tract of land identified as Lots N38, N39 & N40 of Lakeside Village, Phase 4 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 2 (PD-2), addressed as 3601 Highpoint Drive, and take any action necessary.

BACKGROUND

The subject property was annexed into the City of Rockwall on November 7, 1960 by *Ordinance No. 60-04 [Case No. A1960-004]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. According to the **City's Historic Zoning Maps**, the subject property was zoned Planned Development District 2 (PD-2) as of January 3, 1972. In 1973, the subject property was platted as Lots N38, N39 & N40 of the Lakeside Village Subdivision, Phase 4. On October 1, 1984, the City Council approved a site plan (*i.e. Case No. PZ1984-023-01*) for Phases 1-4 of the Lakeside Village Subdivision. On November 5, 1984 (*Ordinance No. 84-53*) and August 3, 1992 (*Ordinance No. 92-23*) the City Council adopted changes to the area requirements for Phases 1-4 of the Lakeside Village Subdivision. The subject property has remained zoned Planned Development District 2 (PD-2) for single-family detached land uses and has been vacant since annexation.

PURPOSE

The applicant -- *Dean Cathey* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

Further east of this is Village Drive, which is identified an R2 (*i.e. residential, two (2) lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY’S CODES

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as **“(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.”** An *established subdivision* is further defined in Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC as **“...a subdivision that consists of five (5) or more lots, that is 90.00% developed, and that has been in existence for more than ten (10) years.”** The subject property is located in Phase 4 of the Lakeside Village Subdivision, which has been in existence since 1973, consists of 61 single-family residential lots, and is 95.08% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being in a Planned Development District for single-family land uses, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, **“...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. Residential Infill in or Adjacent to an Established Subdivision] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...”** The following is a summary of observations concerning the housing on Highpoint Drive compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on Highpoint Drive	Proposed Housing
Building Height	One (1) & Two (2) Story	Two (2) Story

-----------	--	--------------------------------------

Staff should note that the proposed single-family home meets all of the density and dimensional requirements for Planned Development District 2 (PD-2) as stipulated by the Unified Development Code (UDC). For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the *subject property*, staff has provided photos of the properties along Highpoint Drive and the proposed building elevations in the attached packet. The approval of this request is a discretionary decision to the Planning and Zoning Commission and City Council pending a finding that the proposed house will not have a negative impact on the existing subdivision.

NOTIFICATIONS

On December 19, 2023, staff mailed 94 notices to property owners and occupants within 500-feet of the subject property. Staff also sent a notice to the Lakeside Village Homeowner’s Association (HOA), which is the only HOA or Neighborhood Organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one notice in favor of **the applicant’s request**.

CONDITIONS OF APPROVAL

If City Council chooses to approve **of the applicant’s request** for a Specific Use Permit (SUP) to construct a single-family home as a *Residential Infill within an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) Development of the *Subject Property* shall generally conform to the Residential Plot Plan as depicted in **Exhibit ‘B’** of the draft ordinance.
 - (b) Construction of a single-family home on the *Subject Property* shall generally conform to the Building Elevations depicted in **Exhibit ‘C’** of the draft ordinance; and,
 - (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On January 9, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-1, with Commissioner Conway absent.

South of this is a vacant 2.564-acre tract of land (*i.e. Tract 134-12 of the E. Teal Survey, Abstract No. 207*). Beyond this is an additional 2.316-acre vacant tract of land (*i.e. Lot 4, Block A, Spyglass Hill #4 Addition*). Both of these properties are zoned Planned Development District 8 (PD-8) and are currently under development for the Marina Village Subdivision.

East: Directly east of the subject property are four (4) parcels of land (*i.e. 293 Harborview and 201, 203, & 205 Harbor Landing Drive*) developed with single-family homes. Beyond this is Harbor Landing Drive, which is a private roadway that is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. East of this is the remainder of Phase 1 of the Harbor Landing Subdivision, which was established on December 22, 1986, and consists of 38 residential lots. Following this is a portion of a vacant 6.242-acre tract of land (*i.e. Tract 134-06 of the E. Teal Survey, Abstract No. 207*) that serves as open space for the Chandler's Landing Subdivision. All of these properties are zoned Planned Development District 8 (PD-8).

West: Directly west of the subject property is a vacant parcel of land (*i.e. 295 Harborview Drive*) zoned Planned Development District 8 (PD-8). West of this is the Lake Ray Hubbard Takeline and the Chandler's Landing Marina. Beyond this is the corporate limits of the City of Rockwall followed by Lake Ray Hubbard, which is owned and maintained by the City of Dallas.

CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90.00% developed, and that has been in existence for more than ten (10) years.” In this case, the subject property is adjacent to Phase 1 of the Harbor Landing Subdivision, which has been in existence since December 22, 1986 and consists of 38 residential lots, and is 100.00% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being in a Planned Development District for single-family land uses, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, “...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [*i.e. Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...” The following is a summary of observations concerning the housing on Harborview Drive compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on Harborview Drive	Proposed Housing
Building Height	Two (2) Story	Three (3) Story
Building Orientation	Most of the homes are oriented towards their front property line.	The front elevation of the home will face onto Harborview Drive
Year Built	2012-2020	N/A
Building SF on Property	2,330 SF – 4,982 SF	5,443 SF
Building Architecture	Traditional Brick/Stucco and Modern Contemporary	Modern Contemporary
Building Setbacks:		
Front	The front yard setbacks appear to conform to the required 20-foot front yard setback.	25-Feet, 2-Inches
Side	The side yard setbacks appear to conform to the required six (6) foot side yard setback.	6-Feet
Rear	The rear yard setbacks appear conform to the	21-Feet, 7-Inches

	required ten (10) feet rear yard setback.	
Building Materials	Brick, Stone, Stucco	Stucco, Stone, Metal
Paint and Color	Red, Tan, Brown, Grey, White, Black	White, Brown, Grey
Roofs	Composite Shingles, Metal Roofs	Composite Shingles
Driveways	Driveways are all in the front with the orientations being <i>flat front entry</i> .	The garage is proposed to be situated even with the front façade of the home.

In this case, the applicant is proposing a single-family home that is not conforming to two (2) standards outlined in the Unified Development Code (UDC). These are as follows:

- (1) Garage Orientation. According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), “(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages ...” In this case, the proposed garage is located even with the front façade of the single-family home. When looking at this non-conformity, staff should point out that since the construction range for housing in this phase of the Harbor Landing Subdivision extends from 1992-2000, there are several examples of houses in this area that have a similar garage configuration.
- (2) Roof Pitch. According to Subsection 03.01(A), *General Residential District Standards* of Article 05, *District Development Standards*, of the Unified Development Code (UDC), all residential structures shall be constructed with a minimum 3:12 roof pitch. In this case, the applicant is requesting a single-family home with roof pitches of 1:12 and 2:12. Staff should point out that there are other homes in this phase of the Harbor Landing Subdivision with roofs that are similar to the roof design being proposed by the applicant.

With this being said, the approval of a waiver to the garage orientation or roof pitch requirements is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. If approved as part of the Specific Use Permit (SUP) request, the Planning and Zoning Commission and City Council would be waiving these requirements. With the exception of these two (2) deviations from the *General Residential Standards*, the rest of the request does appear to be in conformance with the density and dimensional requirements stipulated by Planned Development District 8 [*Ordinance No. 85-43*] and the Unified Development Code (UDC). For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the *subject property*, staff has provided photos of the properties along Harborview Drive and the proposed building elevations in the attached packet.

NOTIFICATIONS

On December 19, 2023, staff mailed 133 notices to property owners and occupants within 500-feet of the subject property. Staff also sent a notice to the **Chandler’s Landing, The Cabana at Chandler’s Landing, Match Point** Townhomes, Cutter Hill Phase 1, Cutter Hill Phase 2, Cutter Hill Phase 3, Spyglass Phases 2 & 3, and Spyglass Phase 1 **Homeowner’s Associations (HOAs), which are the only HOA’s or Neighborhood Organizations within 1,500-feet** of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received two (2) notices **in favor of the applicant’s request**.

CONDITIONS OF APPROVAL

If City Council chooses to approve **of the applicant’s request** for a Specific Use Permit (SUP) to construct a single-family home as a *Residential Infill within an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) Development of the *Subject Property* shall generally conform to the Residential Plot Plan as depicted in **Exhibit ‘B’** of the draft ordinance.
 - (b) The construction of a single-family home on the *Subject Property* shall generally conform to the Building Elevations depicted in **Exhibit ‘C’** of the draft ordinance; and,

- (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On January 9, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-1, with Commissioner Conway absent.

MEMORANDUM

TO: Mayor and City Council Members

FROM: Kristy Teague, City Secretary/Asst. to the City Manager

DATE: January 10, 2024

SUBJECT: Certificate of Insufficiency Re: Local Option Election (Alcohol) Petition

As Council is aware, I was presented with proper documentation requesting that a petition be issued to a consultant working on behalf of “Friends of Total Wine in Rockwall,” a Specific Purpose Committee established by said consultant on 10/23/23. The petition that was requested and subsequently issued on 10/30/23 was for the “legal sale of all alcoholic beverages for off-premise consumption only.” These petition efforts were undertaken, completely independent of the City of Rockwall, by the consultant (working on behalf of a company called “Total Wine & More”). The purpose of the petition was to attempt to garnish enough valid signatures so that a proposition could appear on the May 4, 2024 General Election ballot to allow City voters to (essentially) decide on whether or not retail liquor stores / sales will be allowed within the City of Rockwall.

On 12/28/23 the petition was turned in to me, and our staff began work to verify the signature entries submitted on said petition. It is noteworthy that verification of petitions and the associated process is dictated, by and large, by state law but also – to a lesser degree – by Rockwall’s city charter. Staff would like to thank Christopher Lynch, Rockwall County Elections Administrator, and all of his staff for their assistance with petition verification efforts. The professionalism, assistance, knowledge and expertise displayed by each of his staff members has been commendable and appreciated, both with this current petition review and with the prior one back in the summer months.

As a result of staff’s verification efforts, Council is now being asked to review and accept the “Certificate of Insufficiency” that was issued by the City Secretary on January 10, 2024 in accordance with the City Charter and State law. A copy of the certificate, which explains in more detail the results of the petition validation review process and was approved by the city attorney, is included in the informational meeting packet for Council’s review and acceptance.

CERTIFICATE OF INSUFFICIENCY OF PETITION FOR LOCAL OPTION ELECTION

I **Kristy Teague, City Secretary of the City of Rockwall, Texas**, hereby certify the following:

An initiative petition proposing that a local option election be called in accordance with the terms and provisions of Title 17, Chapter 277 of the Texas Election Code in the City of Rockwall to allow the “legal sale of all alcoholic beverages for off-premise consumption only” was filed with the City Secretary on December 28, 2023.

At the time of filing, the petition submission was comprised of **871 pages** containing **6,865 signatures**. In accordance with the Section 501.032 of the Texas Election Code, the number of signatures required for a sufficient local option election petition is thirty-five percent (35%) of the qualified voters in the most recent gubernatorial election. Per the last gubernatorial election, the number of registered voters of the City of Rockwall who voted in the election was 18,786. Therefore, **the petitioner was required to provide 6,576 valid signatures**.

The Texas Election Code authorizes the use of random sampling to verify petitions of large size. Under that method, and in accordance with law, twenty-five percent (25%) of the total number of submitted signatures on this petition were reviewed, which equates to a sample size of 1,718 signatures. Based on verification against the voter registration rolls obtained from the Rockwall County Elections Department on the date the petition was initially issued (October 30, 2023), I have determined the following facts regarding this local option Petition.

The raw-count number of signature line entries filed with the Petition on December 28, 2023 was **6,865**. The required number of valid signatures needed was **6,576**. Based on review of 25% of the total number of submitted signatures, it has been determined that **the petition does not meet the requirement for the minimum number of valid signature entries**. Of the signatures submitted and checked, 633 of the Petition entries/signatures were disqualified. The reasons for the Petition lines being disqualified are on account of the following:

<u>TOTAL</u> <u>"BAD"</u>	<u>REASON</u> <u>CODE</u>	<u>DEFINITIONS of "REASON CODES"</u> <u>FOR "BAD" / "INVALID" SIGNATURE SUBMISSIONS</u>
185	WD	Wrong District (Does Not Live Within City of Rockwall)

2	AR	Address Rejected

4	VD	Valid Duplicate (Signer/Voter is Valid; however, he/she signed petition more than once)
633 TOTAL NUMBER OF SIGNATURES VERIFIED & DETERMINED TO BE "BAD"		

Based on the above, the Petition is determined to be insufficient by at least 344 qualified signer entries.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the City of Rockwall on this the 10th day of January, 2024.
