Certificate of Merit

On Tuesday, May 28, 2024, just before 6:00am, a severe thunderstorm causing damage to property occurred in the City of Rockwall and the City of Fate. Telecommunications Operators Tyler Knight and Michele May were working alone in the Communications Center during the strongest part of the storm. Between the hours of 6:00am and 7:30am, Tyler and Michele manually entered and dispatched fifty-two calls for service to various first responders. Additionally, they answered forty-five non-emergency phone calls and fifty-two 911 calls. The storm required them to contact city services for downed trees, the electric company for downed power lines, and they manually activated the severe weather alert siren to alert the public. At 7:30am, additional personnel arrived to provide much needed assistance but Tyler and Michele stayed well past the end of their shift to continue working the storm.

This weather event produced an exceptionally heavy call volume requiring Tyler and Michele to multi-task while ensuring that the public and first responders continued to receive a high level of service. For their outstanding performance during dynamic and demanding circumstances, Tyler Knight and Michele May are hereby conferred the Certificate of Merit.

CIVILIAN CERTIFICATE OF COMMENDATION

Just after 12:00 pm on Friday, October 4th, a male subject began walking behind several students who had just gotten off the bus at an apartment complex on West Yellow Jacket Lane. The male began to noticeably follow a 10-year-old white, female student. He quickly walked up behind her and grabbed ahold of her backpack in what appeared to be an attempted child abduction. The girl was able to get free of the backpack and run away from the male to a nearby apartment.

Two witnesses, Shanti Coleman and Mercedes Hamilton, observed what was happening and verbally confronted the man. Upon hearing the witnesses yell at him, the man turned and began walking out of the complex. Both Ms. Coleman and Ms. Hamilton called 911 to report the incident and provided a description of the suspect as well a direction of travel. Ms. Hamilton got into her vehicle and provided updated locations on the suspect as he walked out onto Yellow Jacket Ln down towards the high school. After several minutes of providing updated information about the suspect, responding officers located and detained the suspect who was later charged with attempted kidnapping.

The Rockwall Police Department is grateful for the actions of Ms. Coleman and Ms. Hamilton who went above and beyond to intervene during a dangerous and unpredictable situation. Their efforts were paramount to ensure the intended victim was safe and the suspect was captured. For their actions, Ms. Coleman and Ms. Hamilton are being awarded the Civilian Certificate of Commendation.

The motion passed by a vote of 4 ayes, 2 nays (Campbell and McCallum), with 1 absence (Jorif).

Mayor Johannesen next addressed Public Hearing item #6.

XII. Public Hearing Items

1. **Z2024-041** - Hold a public hearing to discuss and consider a request by Quadri Akamo of QJ Development, LLC for the approval of an ordinance for a *Specific Use Permit (SUP)* for *Residential Infill in an Established Subdivision* on a 0.154-acre parcel of land identified as Lot 6, Block D, Chandler's Landing #16 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8), addressed as 324 Valiant Drive, and take any action necessary (**1st Reading**).

Planning Director, Ryan Miller provided background information pertaining to this agenda item. The subject property was annexed into the City of Rockwall on October 29, 1973 by Ordinance No. 73-42, and rezoned to Planned Development District 8 (PD-8) by Ordinance No. 73-48. The subject property was platted as Lot 6, Block D, Chandler's Landing, Phase 16 Addition on August 5, 1985 by Case No. PZ1985-050-01. The subject property remains zoned Planned Development District 8 (PD-8) and has been vacant since it was originally platted. The applicant would like to construct a two-story 2,492 square foot home. Council is being asked to consider the size, location and architecture of the proposed home, compared to nearby existing homes. The proposed home does not conform to one requirement. In this case, the garage is setback evenly with the front façade of the single-family home. When looking at this non-conformity, staff should point out that since the construction range for housing in this phase of the Chandler's Landing Subdivision extends from 1992 to present, there are several examples of houses in this area that have a similar garage orientations. Staff mailed 106 notices to property owners and occupants within 500-feet of the subject property. Staff also sent a notice to the Water's Edge at Lake Ray Hubbard, Signal Ridge, Signal Ridge Phase 4, The Cabanas at Chandlers Landing and Chandler's Landing Homeowner's Associations (HOAs), which are the only HOA's or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Staff has received two (2) notices in opposition of the applicant's request. Also, the city's Planning and Zoning Commission approved a motion to recommend approval of the SUP by a vote of 6-0, with Commissioner Odom absent.

The applicant was not present this evening. So, Councilmember Campbell opened the public hearing, asking if anyone would like to speak at this time. There being no one indicating such, she then closed the public hearing.

Councilmember Lewis then moved to approve Z2024-041. Councilmember Thomas seconded the motion. The ordinance caption was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 24-XX
SPECIFIC USE PERMIT NO. S-3XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 8 (PD-8) AND THE UNIFIED DEVELOPMENT CODE (UDC) [*ORDINANCE NO. 20-02*] OF THE CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR *RESIDENTIAL INFILL IN AN ESTABLISHED SUBDIVISION* TO ALLOW THE CONSTRUCTION OF A SINGLE-FAMILY HOME ON A 0.154-ACRE PARCEL OF LAND, IDENTIFIED AS LOT 6, BLOCK D, OF THE CHANDLER'S LANDING #16 ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; AND MORE SPECIFICALLY DESCRIBED AND DEPICTED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve passed by a vote of 4 ayes, 0 nays, with 3 absences (Johannesen, Moeller, and Jorif).

2. **Z2024-042** - Hold a public hearing to discuss and consider a request by Nadia Ramos for the approval of an **ordinance** for a *Specific Use Permit (SUP)* for *Residential Infill in an Established Subdivision* on a 1.80-acre parcel of land identified as Lot 8 of the Harris Addition, City of Rockwall, Rockwall County, Texas, zoned Two-Family (2F) District, addressed as 515 S. Clark Street, and take any action necessary (**1st Reading**).

Planning Director, Ryan Miller, provided background information pertaining to this agenda item. The subject property was annexed prior to 1934 based on the April 1934 Sanborn Map. At some point after April 1934 the subject property was platted as Lot 5 of the J.E. Harris Addition. According to the City's historic zoning maps, the subject property was zoned Commercial (C) District as of January 3, 1972. Based on the May 16, 1983 zoning map, this designation changed between January 4, 1972 and July 11, 1985 to a Heavy Commercial (HC) District. This designation changed again between July 12, 1985 and April 5, 2005 to a Two Family (2F) District. The subject property has remained vacant and zoned Two Family (2F) District. On October 10, 2022 the Director of Planning and Zoning approved a minor plat of the subject property establishing Lot 8 of the J.E. Harris Addition [Case No. P2022-045]. The applicant would like to construct a two-story, residential home that will be 2,573 square feet. It is non-conforming in one respect in that the proposed home does not incorporate a garage, which requires a variance from the Planning and Zoning Commission. When looking at this non-conformity, staff pointed out that most of the housing along S. Clark Street does not incorporate garages, and staff does not feel this will create a negative impact within the subdivision. In the informational meeting packet, staff provided details of nearby, existing houses. Council is being asked to consider the size, location and architecture of this proposed home. Staff mailed out 95 notices to property owners and occupants located within 500' of the subject property, and one notice was received back in opposition of the request. In addition, the city's Planning & Zoning Commission has recommended approval of this request by a vote of 6 to 0.

Anthony Ramos
7968 County Road 2412
Quinlan, TX

The applicant shared that he purchased the property back in Sept. The rear of the property contains a floodplain area. So nothing can be built in that back area of the property. Also, easements have to be followed. So, they want to first see how the house will look on the lot before they consider a possible garage. Later on, they may consider a 1 or 1.5 car garage, if they end up thinking it will fit on the property and look nice.

Councilmember Campbell opened the public hearing, asking if anyone would like to speak at this time. There being no one indicating such, she then closed the public hearing.

Councilmember Lewis moved to approve Z2024-042. Councilmember McCallum seconded the motion. Following brief comments, the ordinance was read as follows:

The applicant's building elevations indicate the proposed patio cover will be 450 SF (18' X 25'). On September 18, 2024, staff mailed 60 notices to property owners and occupants within 500-feet of

Ms. Dignam shared that she lives on the largest lot in the area. She would like to build a pool, and that is the reason for wanting to construct this accessory building. She asked Council to approve the request.

Councilmember Campbell opened the public hearing, but no one was present wanting to speak at this time. So, she closed the public hearing.

Councilmember Lewis asked for clarification on the fine associated with the other unpermitted accessory structures on the property. He asked for an agenda item to be placed on the next council meeting agenda to ask staff to research what other cities do regarding contractors and homeowners building things without pulling permits in advance. Mrs. Smith, City Manager, shared that staff will go ahead and get started on said, requested research.

Councilmember Lewis moved to approve Z2024-043. Councilmember McCallum seconded the motion. The ordinance was read as follows:

**CITY OF ROCKWALL

Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 806 Austin Street, and take any action necessary **(1st Reading)**.

Mr. Miller shared that the applicant could not be present this evening. So, he has asked that the Council consider allowing the applicant to table this item until the November 4 regular city council meeting. Councilmember McCallum moved to deny the applicant's request for Council to table this item and instead hear the case tonight. Councilmember Thomas shared various reasons why he is not in favor of the Council NOT tabling the item, as the applicant has requested. Because the motion did not receive a second, it died.

Councilmember Thomas then moved to table this item until the November 4 city council meeting. Councilmember Lewis seconded the motion, which passed by a vote of 3 ayes, 1 nay (McCallum), and 3 absences (Johannesen, Moeller and Jorif).

5. **Z2024-046** - Hold a public hearing to discuss and consider a request by Carl and Wendy Petersen for the approval of an ordinance for a *Specific Use Permit (SUP)* for a *Short-Term Rental* on a 0.6391-acre parcel of land identified as Lot 25-R, Block A, Chandler's Landing #20 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8), addressed as 108 Reliance Court, and take any action necessary **(1st Reading)**.

Planning Director, Ryan Miller, provided background information on this agenda item. On September 18, 2024, staff mailed 254 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Chandler's Landing, Signal Ridge, Signal Ridge Phase 4, Water's Edge, and Lago Vista Homeowners Associations (HOAs), which are the only homeowners associations or neighborhood organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). So far, staff had received two (2) notices back in favor and 25 notices back in opposition to the applicant's request. On October 15, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the SUP by a vote of 6-0, with Commissioner Odom absent.

A representative of the applicant came forth to address the Council at this time.

Michael Lund (applicant's representative)
5425 Ranger Drive (in Chandler's Landing)
Rockwall, TX

Mr. Lund came forth and shared he is a friend of the Petersen's, who have temporarily moved out of state to care for their parents. Mr. Petersen is an internationally famous game designer. He understands the new ordinance has a 1,000 foot requirement on spacing between STRs. He shared that the applicant has invested a lot of time and effort to create a quality product and has arranged for a network of local friends to help take care of the house. He believes that if this is to get approved in Chandler's Landing, he believes this applicant is the best candidate for approval.

Councilmember Campbell opened the public hearing, but no one was present to speak. So she closed the public hearing.

Councilmember Thomas provided brief comments before moving to approve Z2024-046.

Councilmember Lewis seconded the motion. The ordinance caption was read as follows:

The motion passed by a vote of 3 ayes, 1 nay (Lewis) and 3 absences (Johannesen, Moeller and Jorif).

At this point, the meeting was adjourned at 9:47 p.m.

6. **Z2024-048** – Hold a public hearing to discuss and consider a request by Ryan Joyce of Michael Joyce Properties on behalf of Bill Lofland for the approval of an **ordinance** for a Zoning Change from an Agricultural (AG) District to a Planned Development District for Single-Family 10 (SF-10) and General Retail (GR) District land uses on a 536.4297-acre tract of land identified as Tracts 3 & 3-1 of the A. Johnson Survey, Abstract No. 123 [355.146-acres]; Tracts 7 & 7-2 of the W. H. Baird Survey, Abstract No. 25 [45.744-acres]; and Tracts 3 & 4 of the J. R. Johnson Survey, Abstract No. 128 [144.00-acres], City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 Overlay (SH-205) and SH-205 By-Pass Overlay (SH-205 BY OV) District, generally located on the east and west side of S. Goliad Street [SH-205] at the corner of the intersection of John King Boulevard and S. Goliad Street [SH-205], and take any action necessary (**1st Reading**).

Planning Director, Ryan Miller provided background information pertaining to this agenda item. This property is located to the north and south of SH-205 and is bound by FM-549 to the east; Lofland Circle to the south; Lake Rockwall Estates to the west; and the new 9th grade RISD freshman center to the north. The subject property is located within two, existing overlay districts. It was previously annexed, in phases, from 1986 through 1999, and it has remained vacant property (zoned "AG") since the time(s) of annexation. The applicant previously came forth before Council back in July/August of this year, wanting to change the zoning. At the previous Council meeting, the applicant was asked to go back and make changes to the original proposal, encouraging him to work closely with nearby homeowners on an updated proposal. Regarding the case this evening, the applicant is putting forth a proposal for 41 acres of General Retail, along with 885 lot single-family subdivision that will consist of seven (7) lot sizes (i.e. [A] 12, 185' x 200' lots that are a minimum of 65,340 SF; [B] 13, 185' x 200' lots that are a minimum of 43,560 SF; [C] 18, 120' x 200' lots that are a minimum of 32,670 SF; [D] 66, 100' x 150' lots that are a minimum of 12,000 SF; [E] 168, 82' x 125' lots that are a minimum of 9,600 SF; [F] 339, 72' x 125' lots that are a minimum of 8,640 SF; and, [G] 269, 62' x 125' lots that are a minimum of 7,440 SF). This equates to a gross density of 1.65 dwelling units per acre, as calculated by

requirements contained in the city's Unified Development Code. The minimum dwelling unit size (i.e. air-condition space) will range from 2,750 SF to 3,500 SF. The proposed concept plan shows that the development will consist of 65.78-acres of private open space, 6.40-acres of amenity centers (which includes two [2] amenity centers), a 1.97-acre site for a future City water tower, and the proposed two (2) public parks consisting of 33.00-acres. This -- with the 79.85-acres of floodplain -- represents a total of 187.00-acres of open space, which translates to 27.42% (i.e. $[79.85\text{-acres of floodplain}/2] + 65.78 + 5.14 + 2.39 + 37.69 = 147.075\text{-acres}/536.42\text{-acres gross} = 27.41788\%$) of the site being dedicated to open space/amenity. This exceeds the total required open space of 20.00% (or 107.28-acres) by 7.42% (or ~39.795-acres). In addition, the proposed development will incorporate a minimum of an 80-foot landscape buffer with a ten (10) foot meandering trail for all residential adjacency to John King Boulevard, SH-205, and FM-549. The concept plan also depicts the provision of an eight (8) foot trail system that will be provided throughout the development to connect the future residential lots with the private open spaces, public parks, and non-residential developments. Staff should also note that the applicant has consented to incorporating a 50-foot landscape buffer, with a berm, and solid living screen consisting of evergreen trees along Lofland Circle (i.e. adjacent to the Oaks of Buffalo Way Subdivision).

Mr. Miller went on to share that staff mailed out 551 notices to property owners and occupants located within 500' of the subject property. To date, staff has received the following replies in response to the notices:

From outside of the Property Owner Notification zone (but within the City limits):

Responses from 150 properties 'against' the proposal;

Responses from 6 properties 'for' the proposal.

From inside of the Property Owner Notification buffer:

Responses from 20 properties 'against' the proposal;

Responses from 5 properties 'for' the proposal.

Mr. Miller shared that the city's Planning & Zoning Commission approved a motion to recommend approval of this proposal / item by a vote of 5 to 1 (Commissioner Hagaman dissenting with Odom being absent).

Mayor Johannesen then called forth the applicant to speak at this time.

Ryan Joyce
767 Justin Road
Rockwall, TX 75087

Mr. Joyce came forth and provided a very lengthy presentation regarding this proposal.

Councilmember McCallum indicated he hosted a meeting at The Oaks of Buffalo Way with residents living there and with Mr. Joyce. He gave a summary of those discussions, then went on to seek clarification regarding certain lot sizes, explaining that some of the lot sizes being proposed this evening are in fact not aligned with residents' desires (of those living in the Oaks at Buffalo Way subdivision). Mr. Joyce agreed, clarifying that the lot sizes being put forth this evening do represent are a bit of a compromise. Councilmember McCallum and Mr. Joyce continued with additional

dialogue related to the original proposal, the desires expressed by residents (especially related to the desire for larger lot sizes), and how those compare to that which is being put forth in the updated proposal this evening.

Susan Langdon
5050 Bear Claw Lane
Rockwall, TX 75032

Ms. Langdon came forth, expressing concerns / opposition related to this proposal. She shared that residents are growing tired of having to show up and be involved in this proposal. She believes the proposal is too dense, even with this updated proposal. She shared that she does not believe the property owner is not compromising, even though the residents are being constantly asked to compromise. She spoke in opposition of this request being approved this evening.

Richard Henson
2424 South FM 549
Rockwall, TX 75032

Mr. Henson shared that he lives within the property notification buffer. He went on to speak to the YAC students who are present this evening, providing some background information regarding this case. He shared information concerning meetings that transpired between the developer and property owners. He expressed concerns related to the proposed entryways for this neighborhood and the density (pointing out that nearby lots are 'estate lots' – homes on multiple acres of land). He expressed strong opposition to this request this evening. He showed visuals comparing the proposed lot sizes to the size of his own home / lot. He encouraged councilmembers to vote "no," also expressing concerns related to traffic.

Bob Lyon
1900 Broken Lance Lane
Rockwall, TX

Mr. Lyon shared that he has multiple concerns about this proposal, and he expressed dissatisfaction about the developer who has claimed that he has had 'discussions' with other nearby property owners; however, he does not know the true nature of those discussions. He is concerned about the amenity centers and what size they will be and what amenities they will include. He spoke in opposition of approval of this request this evening, asking that it be denied and that the developer be made to return to the 'bargaining table.'

Leslie Wilson
535 Cullins Road
Rockwall, TX 75032

Ms. Wilson shared that she has lived at this location for almost 30 years. When she first built, there was one business located on Horizon Road (a carwash). She went on to share that the process has been very long and very tiring, and citizens are very tired of what she views as a 'bait and switch' when dealing with the developer. She believes the developer is 'thumbing his nose' at the residents. She encouraged Council to be on the side of the citizens and advocate for them. She generally spoke

in opposition of this request.

Milton Wittig
1759 Bay Watch Drive

Mr. Wittig came forth expressing concerns regarding density and traffic pertaining to this proposal. He urged Council to send this back and require less density.

Leslie Hope
530 Cullins Road
Rockwall, TX 75032

Mrs. Hope came forth and shared that Mr. Henson did a really good job of explaining the realities of the density pertaining to this proposed development. She shared that it's been 15 years since the City of Rockwall added any fire stations. Many apartments have been added since then, many new residential developments have been added, and the populations of both the city and county have notably grown. She is very concerned about the infrastructure and potential impacts on the schools. She believes the density is too high, and she urged the Council to pump the brakes on potentially approving developments such as this one, as she does not believe we have the infrastructure to support them.

Joe Ward
4920 Bear Claw Lane
Rockwall, TX

Mr. Ward shared that he understands this proposal is 'at the discretion' of the Council, acknowledging that it will require exercise of good judgement on the part of councilmembers tonight. He does not believe there was an equal amount of integrity between the developer and those he was working with in the community when considering modifications to the original proposal. He urged Council to have good judgement and to clearly understand the position of the neighbors (homeowners) this evening.

Markus Bader
1940 Broken Lance Lane
Rockwall, TX

Mr. Bader shared he is on the HOA of the Oaks of Buffalo Way subdivision, and he is generally opposed to this proposal. He shared that there are certain aspects to the proposal that he is actually on board with; however, as a whole, he is opposed to this proposal.

Randy Heinrich
4945 Bear Claw Lane
Rockwall

Mr. Heinrich came forth and shared frustrations about the process associated with neighboring homeowners having met with the developer over time. He feels there has been a lot of 'bait and switch,' and he indicated that the homeowners are saying a very strong "no." He is opposed to this request.

Scott Benners
4940 Bear Claw Lane
Rockwall, TX

Mr. Benners shared that he is currently the acting HOA President of the Oaks of Buffalo Way subdivision. He pointed out he has not observed anyone, outside of the applicant, who is rooting in favor of this proposal. Rather, overwhelmingly it appears as though individuals are opposed to the request. He went on to speak in opposition of the proposal this evening.

Christina Guevara
1905 Broken Lance Lane
Rockwall, TX

Mrs. Guevara came forth and shared that she and her husband are not in opposition to development, and they are both in the finance business. She went on to share some numbers estimates her husband ran (he could not be present himself tonight) regarding the estimated profit the developer stands to earn related to the development. She spoke in opposition of the request, especially concerning its high density.

Jason G. Schuette
1925 Broken Lance Lane
Rockwall, TX 75032

Mr. Schuette shared that he is the Treasurer of the Oaks of Buffalo Way HOA. Mr. Schuette gave credit to the developer, Mr. and Mrs. Joyce, sharing that some efforts were made and a few meetings were held between them and the homeowners. He does not believe that this revised proposal actually addresses the concerns of existing, nearby homeowners. He shared that there are limits on what someone can and cannot do on his/her own property. He spoke in opposition of this request, encouraging Council to vote 'no' on this proposal this evening.

Michelle McCann
304 Shoreview
Rockwall, TX

She shared that she has a lot of concerns about the various subdivisions that are being approved by the City, indicating that there is not enough infrastructure to support the growth. She expressed that both roadways and schools are overcrowded, and she is tired of sitting in so much traffic throughout the city. She urged Council to think about infrastructure and the fact that it is not very pleasant to living in the city right now due to all the traffic.

Bob Wacker
309 Featherstone
Rockwall, TX

Mr. Wacker came forth and shared that he supports the developer, The Joyce's; however, he has a problem with the Lofland Family (the land owner(s)). He has various concerns, such as the proposed

entryways; the lot sizes/mix; the density; and retention/detention ponds. He generally spoke in opposition of this request this evening.

Stan Jeffus
2606 Cypress Drive
Rockwall, TX 75087

Mr. Jeffus expressed concern about putting 100 houses on 15 acres. He spoke about the proposed commercial property on one of the corners of this proposed development. He explained that large, estate lots on acreage are currently in existence just across from this proposed commercial area. He expressed a desire for this proposed commercial area to be changed to large, estate (residential) lots instead. He generally expressed opposition to this request.

Melba Jeffus
2606 Cypress Drive
Rockwall, TX 75087

Mrs. Jeffus shared that several meetings occurred between existing, nearby homeowners and the developer. She expressed they were very productive; however, she believes that not enough has been done to incorporate desired changes. She shared that a large bond (\$1 million) election is going to be before Rockwall voters soon. She has strong concerns about infrastructure and the rising costs associated with the ability to live in Rockwall. She indicated the Council does not have to approve everything that comes before it for consideration. She is opposed to approval of this development and urged Council to vote against it this evening.

There being no one else wishing to come forth and speak at this time, Mayor Johannesen closed the public hearing.

He then recessed the public meeting, calling for a brief break at 8:05 p.m.

Mayor Johannesen reconvened the public meeting at 8:12 p.m., calling forth the developer, Mr. Joyce to address some of the comments made during the Public Hearing session.

Mr. Joyce clarified that Qualico Communities has not hired his company (Michael Joyce Properties) to pitch this and try and get it approved. He shared that he and his company are very active and invested in this community and very much care about the community. He went on to share TXDOT plans for widening roadways, including eventually doubling the capacity of SH-205 and FM-549, which he noted with greatly assist with infrastructure and traffic-related concerns. He clarified information about the proposed entry features / monuments included in this proposal. He went on to share more details related to the open spaces, the parkland areas, and the amenity centers that will be included in this development. He shared that The Wallace Family is against this development.

Councilmember McCallum provided comments pertaining to meetings that transpired between the developer and residents several years ago on a different, prior development proposal, generally commenting that those sort of negotiations and that sort of process does actually work. Councilmember McCallum went on to share a PowerPoint presentation, expressing his various concerns pertaining to the proposal (i.e. lot sizes; traffic and how drivers will get moved around,

especially 10-15+ years from now; the density; and various additional concerns expressed by the numerous nearby, existing homeowners).

Mr. Joyce pointed out that not all surrounding properties are large estate lots, and he has been doing his best to make modifications to the lot sizes, lot mixes, and associated street layouts.

Councilmember Moeller believes that great strides have been made as far as this proposal when compared to the original proposal, and a lot of the concerns have been addressed; however, he would still like to see some additional work done, especially pertaining to the proposed lots (sizes, mix). He believes Phase 4 looks pretty good, and he would like to see more mix in 1, 2, and 3.

Councilmember Thomas asked for and received clarification from Mr. Miller (Planning Director) on how the density of this proposal compares to previously approved residential subdivisions within the City. Mr. Miller shared that the city has only approved two, prior developments that are less dense than this one, and both of them did not have sewer infrastructure. So, what drove the lot sizes in those instances was the need for on-site septic sewage systems (the Discovery Lakes and Dowell Road projects). Discussion also took place related to the adjacent collector roads. Councilmember Thomas believes this proposal does represent 'low density residential housing' as far as what is defined in our city's long-term Comprehensive Development Plan. He shared that people make decisions often to move off, for example two acre lots, onto 62' lots – many times because they and their kids want to live closer to friends. A lot of homes on 62' lots (i.e. in Nelson Lakes) are being advertised for sale for \$700-800k. He shared that a whole lot of residents live in homes that are on 62' to 80' lots. He shared that this developer builds high-quality developments. He shared various reasons why he is in support of this proposal this evening.

Councilmember Lewis shared that there is an existing city fire station located not far from this development. He shared that he observed a lot of changes that the developer has made between the first proposal and this current one, and he does not believe enough credit has been afforded to him for those changes. Brief discussion took place related to 'transitions' (such as landscape buffers and landscaping) between the commercial area and the adjacent residential areas.

Councilmember Campbell shared that she does observe quite a few changes within this proposal. She sought and received clarification on the city's Comprehensive Plan. Mr. Miller shared that the plan is essentially a guideline and bar by which to measure; however, no development will ever check all the boxes and be in total sync with that which is written within the Comp Plan. Mr. Miller shared that he is at 1.65 units per acre, which is below the city's maximum 2.5 units per acre contained within the Comp Plan. Councilmember Campbell shared various additional comments (i.e. pertaining to the proposed amenity centers (which is of concern to her). She believes this case is a tough one. She acknowledged he builds good products; however, she wishes there was more lot mix, she wishes the 'General Retail' portion was 'residential' instead.

Mayor Johannesen acknowledged that this case is a tough one. He believes many people in Rockwall prefer no more development at all, while others desire unlimited development. He believes this proposal is somewhere in the middle. He briefly acknowledge property owner rights and the right for them to develop their property. He is in support of 'limited government.' He knows that the city's Comprehensive Plan was developed very thoughtfully and by many professionals, such as the city's Planning Director, Ryan Miller, and others. Mayor Johannesen shared that he does not personally like

62' lots; however him not liking it is not enough reason to vote in opposition of it. He acknowledged that Council sometimes has to make very, very tough decisions. He went on to share the various reasons why he will be supporting approval of this proposal this evening. He knows that there is no such thing as 'consensus,' and not everyone will be happy.

Mayor Johannesen moved to approve Z2024-048. Councilmember Thomas seconded the motion. Councilmember McCallum went on to share his opposing views in response to some expressed by Mayor Johannesen. He believes the developer still has more, additional work to do, especially concerning the density. He shared that a lot of concerns expressed by nearby existing homeowners have been largely ignored. He believes the Council should ask Mr. Joyce to go back and do even more. He urged the Council to vote "no" and bring back further changes to reflect something the community can truly be proud of.

The ordinance caption was read as follows:

JOHNSON SURVEY, ABSTRACT NO. 123; TRACTS 7 & 7-2 OF THE W. H. BAIRD SURVEY, ABSTRACT NO. 25; AND TRACTS 3 & 4 OF THE J. R. Councilmember Moeller asked for clarification on what will transpire this evening if there is possibly a 3 to 3 tie vote. Mr. Garza, City Attorney, indicated that if it is tie vote, the current motion on the floor – which is to approve – would fail. Then there could be a subsequent motion made.

The motion to approve failed by a vote of 3 in favor with 3 against (Moller, Campbell, and McCallum).

Councilmember McCallum provided some words of advice to the developer and the moved to deny Z2024-048 without prejudice. Councilmember Moeller seconded the motion. Councilmember Thomas encouraged Council to remember that when this comes back, no one is ever going to get everything they want. He pointed out this is a 'free enterprise' country. So, if you want 100% of what you want, buy the land from Lofland and build it. He pointed out this is not a communist country and the government doesn't overrun people. The motion to deny without prejudice passed with a vote of 4 in favor with two against (Johannesen and Thomas).

Mayor Johannesen recessed the meeting and called for a break at 9:00 p.m. He shared that he has to excuse himself from the meeting at this point, as he needs to catch a flight. Also, Councilmember

Moeller excused himself from the meeting at this (break) time too.

Councilmember Anna Campbell called the meeting back to order at 9:12 p.m. and then addressed Public Hearing Item #2 next. At this point, Mayor Johannesen and Councilmember Moeller were absent from the duration of the meeting (in addition to Mayor Pro Tem Jorif, who was absent from the meeting in its entirety).

XIII. Adjournment

Councilmember Campbell adjourned the meeting at 9:47 p.m.

APPLICANT: Billy Self
CASE NUMBER: P2024-025; *Final Plat for Lot 1, Block A, Pro Soap Addition*

SUMMARY

Consider a request by Billy Self on behalf of Janet Self for the approval of a Final Plat for Lot 1, Block A, Pro Soap Addition being a 3.946-acre tract of land identified as Lot 2 of the DBK Addition and Tract 9-02 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1830 E. IH-30, and take any action necessary.

PLAT INFORMATION

- Purpose. The applicant is requesting the approval of a Final Plat for a 3.964-acre tract of land (*i.e. Lot 2 of the DBK Addition and Tract 9-02 of the J. Lockhart Survey, Abstract No. 134*) for the purpose of creating one (1) lot (*i.e. Lot 1, Block A, Pro Soap Addition*) on the subject property.
- Background. The subject property was annexed into the City of Rockwall on December 3, 1985 by *Ordinance No. 85-69 [i.e. Case No. A1985-002]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. The subject property was rezoned from Agricultural (AG) District to Light Industrial (LI) District on February 4, 1991 by *Ordinance No. 91-08*. In 1994, the Board of Adjustments granted a variance to allow the construction of a 14-unit storage building on the subject property. On February 17, 2014, the City Council approved a site plan (*i.e. Case No. SP2014-002*) to allow the development of a 19,500 SF distribution center on the subject property; however, this structure was never constructed.
- Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the Conditions of Approval section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

CONDITIONS OF APPROVAL

If City Council chooses to approve the Final Plat for *Lot 1, Block A, Pro Soap Addition* staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this Final Plat; and,
- (2) Any construction resulting from the approval of this Final Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted

engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On October 29, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Final Plat by a vote of 6-0, with Commissioner Hustings absent.

The purpose of the applicant's request is to Preliminary Plat a 67.475-acre tract of land (i.e. *Lot 1, Block B and Lot 1R, Block C, Rockwall Commercial Addition*) to show the future establishment of a 13-parcel regional mixed-use development (i.e. *Lots 2-13, Block B; Lot 2, Block C, Rockwall Commercial Subdivision*). The proposed Preliminary Plat also lays out the necessary easements (e.g. *fire lane, public access/right-of-way, utilities, and drainage*) for the future development of the subdivision. Concurrently with this Preliminary Plat, the applicant has submitted a Site Plan [Case No. SP2024-033] for a *Large Format Retailer* (i.e. *IKEA*).
- Background. The subject property was annexed by the City Council on December 3, 1985 by *Ordinance No. 85-69* [Case No. *A1985-002*]. At the time of annexation, the subject property was zoned Agricultural (AG) District. According to the December 7, 1993 *Zoning Map*, a portion of the subject property was zoned Highway Commercial (HC) District at some point between annexation and December 6, 1993. This designation was later changed to a Light Industrial (LI) District between December 8, 1993 and April 5, 2005 according to the City's *Historic Zoning Maps*. On January 6, 2020, the City Council approved Case No. *P2019-048* (filed on April 9, 2021) establishing the subject property as Lot 1, Block B; Lot 1R, Block C; and Lot 1, Block D, Rockwall Commercial Addition. On October 2, 2023, the City Council adopted *Ordinance No. 23-56* [Case No. *Z2023-041*] changing the zoning of the subject property from an Agricultural (AG) District and Light Industrial (LI) District to a Commercial (C) District. On October 21, 2024, the City Council approved a zoning change [Case No. *Z2024-035*; *Ordinance No. 24-42*] that establish the subject property as Planned Development District 102 (PD-102) for limited Commercial (C) District land uses. The subject property has remained vacant since annexation.
- Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional Approval. Conditional approval of this Replat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the Conditions of Approval section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the Preliminary Plat for the Rockwall Commercial Subdivision staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this Preliminary Plat; and,
- (2) Any construction resulting from the approval of this Preliminary Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On October 29, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the preliminary plat by a vote of 6-0, with Commissioner Hustings absent.

APPLICANT: Bill Bricker, *Rockwall Property Corporation*
CASE NUMBER: P2024-036; *Final Plat for Lot 1-3, Block A, Boardwalk Development Addition*

SUMMARY

Consider a request by Bill Bricker of Rockwall Property Corporation for the approval of a Final Plat for Lots 1-3, Block A, Boardwalk Development Addition being a 9.14-acre tract of land identified as a portion of Tract 6-1 of the G. W. Redlin Survey, Abstract No. 183, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 71 (PD-71) for Commercial (C) District land uses, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, generally located at southwest corner of the intersection of Park Hills Boulevard and John King Boulevard, and take any action necessary.

PLAT INFORMATION

- Purpose. The applicant is requesting approval of a Final Plat for an 9.14-acre tract of land (*i.e. Tract 6-1 of the G. W. Redlin Survey, Abstract No. 183*) to establish three (3) lots for the purpose of conveyance.
- Background. The subject property was annexed by the City Council on March 16, 1998 by *Ordinance No. 98-10 [Case No. A1998-001]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. On June 18, 2007, the City Council approved a zoning change from Agriculture (AG) District to Planned Development District 71 (PD-71) for Commercial (C) District land uses by *Ordinance No. 07-19 [Case No. Z2007-011]*. The subject property has remained vacant since annexation.
- Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this Final Plat -- *conforming to the requirements for plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the Final Plat for *Lots 1-3, Block A, Boardwalk Development Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to the filing of this Final Plat; and,
- (2) Any construction resulting from the approval of this Final Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

SUBJECT: The Little Buffalo Creek Wastewater System Extension

On September 19, 2022, City Council approved the engineering design contract amendment to design the sanitary sewer system for the unserved areas of Little Buffalo Creek basin as well as the Rockwall Independent School District (RISD). The project consists of approximately 6,500 feet of sanitary sewer trunk mains and the abandonment of the Hickory Ridge Lift Station. This project is the third phase of the *Little Buffalo Creek Wastewater System Improvements* and *Lake Rockwall Estates Sanitary Sewer Improvements*.

The City hired Birkhoff, Hendricks, & Carter, L.L.P. to provide the engineering design and specifications for the overall project. MEMORANDUM

TO: Mary Smith, City Manager

FROM: Amy Williams, P.E., Director of Public Works/City Engineer

DATE: November 4, 2024

SUBJECT: Construction Contract for the Southside Elevated Water Storage Tank Rehabilitation

The *Southside Composite Elevated Water Storage Tank* is located approximately 360-feet northwest of the eastbound service road of IH-30 and 370-feet west of White Hills Drive. The tank has a capacity of one (1) million gallons and was originally constructed in 1996. The coating systems on the interior and exterior of the tank are original and have not been altered since the initial construction 27-years ago. These coatings currently exceed the life expectancy for a properly maintained tank coating system, which typically has an expected life cycle of approximately 20-years for the exterior coating system and 25-years for the interior coating system. As these coating systems reach the end of their expected life cycles, the risk for damage to the underlying steel structure increases. This is due to the possibility of water penetrating the coating system and causing corrosion to set in on the steel. To ensure the tank remains effective and sustainable for future decades, it is advised that both the interior and exterior coating systems should be sand blasted and re-coated as soon as it is practical to do so. Any structural deficiencies due to corrosion will also need to be addressed during this rehabilitation.

The City hired Birkhoff, Hendricks, & Carter, L.L.P. to provide the engineering design and specifications for the overall project. Staff received eleven (11) bids for the *Southside Elevated Water Storage Tank Rehabilitation* project through the bidding process which opened up on October 29, 2024. The bidder with the highest score, of the evaluation criteria, is J.R. Steltzer Company, with a bid of \$860,980.00. This project has a construction contingency of \$86,000.00 to be added to the bid. The engineering consultants have verified the references for J.R. Steltzer Company and provided a letter of recommendation.

Staff requests the City Council consider approving the construction contract for the *Southside Elevated Water Storage Tank Rehabilitation*, and authorize the City Manager to execute a contract with J.R. Steltzer Company, in an amount of \$860,980.00 and \$86,000.00 in construction contingency to be paid for out of the *Water Funds*.

CASE NUMBER: Z2024-044; *Specific Use Permit (SUP) for a Short-Term Rental at 806 Austin Street*

SUMMARY

Hold a public hearing to discuss and consider a request by Trenton Austin for the approval of a Specific Use Permit (SUP) for a *Short-Term Rental* on a 0.1950-acre parcel of land identified as Lot 4, Block 15A, F&M Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 806 Austin Street, and take any action necessary.

BACKGROUND

The subject property is considered to be a part of Old Town Rockwall, and was platted with the F&M Addition prior to 1934 per the 1934 Sanborn Maps. According to the City's historic zoning maps, at some point after the time of incorporation and before January 3, 1972, the subject property was zoned Single-Family 3 (SF-3) District. Following this, sometime between January 22, 1982 and May 16, 1983, the subject property was rezoned from a Single-Family 3 (SF-3) District to Single-Family 7 (SF-7) District. According to the Rockwall Central Appraisal District (RCAD) the 1,214 SF single-family home and the ~480 SF detached garage situated on the subject property were constructed in 1952.

PURPOSE

The applicant -- *Trenton Austin* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of allowing a *Short-Term Rental (Non-Owner-Occupied Single-Family Home)* on the subject property, which is located within 1,000-feet of an existing *Short-Term Rental (Non-Owner-Occupied Single-Family Home)*.

ADJACENT LAND USES AND ACCESS

These properties are developed with single-family homes. Beyond this is Parks Avenue, which is classified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

South: Directly south of the subject property is a 0.190-acre parcel of land (*i.e. 501 Cornelia Street*) which is zoned Single-Family 7 (SF-7) District and developed with a single-family home. CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES

On April 1, 2024, the City Council approved *Ordinance No. 24-10*, which amended both the Unified Development Code (UDC) and the Municipal Code of Ordinances for the purpose of creating zoning and regulatory restrictions for *Short-Term Rentals*. Specifically, this ordinance: [1] amended the *Permissible Land Use Charts* to create a *Short-Term Rental* land use, [2] created *Conditional Land Use Standards* for each type of *Short-Term Rental* (*i.e.* *Owner Occupied* and *Non-Owner Occupied*), [3] created a *Short-Term Rental Permit and Registration Program*, [4] created *General Standards for Short-Term Rentals*, [5] established a minimum general commercial insurance coverage requirement, [6] established enforcement and penalty procedures, [7] required a responsible party as part of the permit and registration, [8] created an appeal process, and [9] established non-conforming rights for properties that were in operation prior to the adoption of the ordinance. As part of this process, staff sent out notices to all existing *Short-Term Rentals* in the City of Rockwall, and established a *grace period* from April 1, 2024 to July 1, 2024 to allow existing *Short-Term Rentals* the ability to submit for a *Short-Term Rental Permit and Registration*. During this *grace period* existing *Short-Term Rentals* were exempted from the proximity requirements established by the zoning ordinance.

According to Article 13, *Definitions*, of the Unified Development Code (UDC), a *Short-Term Rental* is defined as "... a residential dwelling unit, apartment, condominium, or *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* in which the entire structure or a portion thereof is offered for rent for a period exceeding 12-hours, but less than 30 consecutive days, to a particular occupant. In practice, a *Short-Term Rental* is considered to be a residential land use, and is not considered to be a *Limited-Service Hotel, Full-Service Hotel, Residence Hotel, Motel, or Bed and Breakfast* as defined in this Unified Development Code

(UDC)". This definition section goes on to define a *Non-Owner Occupied Short-Term Rental* as "(a) single-family home, townhome, or duplex -- or a portion thereof -- in which the property owner or operator does not occupy the dwelling unit during the rental, or that the owner or property owner does not occupy another dwelling unit -- or portion thereof -- on the same property (i.e. the property owner or operator is not on-site as an occupant during the rental of the property)." According to the *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the Unified Development Code (UDC), a *Non-Owner Occupied Short-Term Rental* is permitted in a Single-Family 7 (SF-7) District with the following conditions:

- (a) *Short-Term Rentals* that are *Non-Owner-Occupied* shall not be located within 1,000-feet of another *Short-Term Rental* that is *Non-Owner Occupied*; however, *Short-Term Rentals* that were in existence prior to April 1, 2024 that [1] meet the criteria established in Subsection 06.05, *Non-Conforming Short-Term Rentals*, of this Article, and [2] received a valid permit and registration -- in accordance with Article 2, *Short-Term Rentals*, of Chapter 13, *Rental Housing*, of the *Municipal Code of Ordinances* -- prior to July 1, 2024 shall be exempted from the proximity requirements.
- (b) *Short-Term Rentals* that are *Non-Owner-Occupied* that do not meet proximity requirements may be considered on a case-by-case basis by the Planning and Zoning Commission and City Council through a *Specific Use Permit (SUP)*. In considering a *Specific Use Permit (SUP)* for a *Short-Term Rental* that is *Non-Owner-Occupied* the Planning and Zoning Commission and City Council shall consider the size, location, and impact of the proposed and existing *Short-Term Rentals* on the adjacent residential properties and their occupants.
- (c) The *Short-Term Rental* shall not incorporate accessory land uses that are not permitted within the underlying zoning district (e.g. *Banquet Facility/Event Hall which includes meeting halls and wedding venues*) as stipulated by the *Permissible Use Charts*.
- (d) In order to establish and operate a *Short-Term Rental (Non-Owner-Occupied Single-Family Home, Townhome, or Duplex)* in the City of Rockwall, a permit and registration shall be required in accordance with the requirements of Article 2, *Short-Term Rentals*, of Chapter 13, *Rental Housing*, of the *Municipal Code of Ordinances*.

In this case, the applicant submitted a request for a *Non-Owner-Occupied Short-Term Rental (STR)* at 806 Austin Street, and at the time of application it was determined that there was already a permitted *Non-Owner Occupied Short-Term Rental* next door to the subject property, and that the applicant's request failed to meet the proximity requirements to allow another *Non-Owner-Occupied Short-Term Rental*. Based on this, the applicant was notified that a *Specific Use Permit (SUP)* would need to be requested before the *Short-Term Rental Permit* could be submitted and issued. In response to this, the applicant has provided the necessary permit application and photos of the property, which are included in the attached packet.

FIGURE 1: SUBJECT PROPERTY PROXIMITY TO EXISTING NON-OWNER-OCCUPIED SHORT-TERM RENTAL

STAFF'S ANALYSIS

When evaluating a *Specific Use Permit (SUP)* for a *Non-Owner-Occupied Short-Term Rental*, the Planning and Zoning Commission and City Council should assess the size, location, and impact of both the proposed and existing *Short-Term Rentals* on nearby residential properties and their occupants. The proposed *Short-Term Rental* is located zero (0) feet from an existing, permitted *Non-Owner-Occupied Short-Term Rental* (i.e. 808 Austin Street) [Permit No. STR2024-2966] that accommodates up to six (6) guests with three (3) bedrooms and two (2) bathrooms. It is also located within the 1000-foot buffer of three (3) other *Non-Owner-Occupied Short-Term Rentals (STRs)* [i.e. 303 Williams, 503 Lillian, & 501 Lillian Street]. These four (4) *Non-Owner-Occupied Short-Term Rentals (STRs)* were in existence before the *Short-Term Rental (STR)* ordinance was adopted on April 1, 2024 and applied for the *Short-Term Rental (STR)* permit within the three (3) month grace period. The proposed *Short-Term Rental* is a 1,214 SF single-family home that has two (2) bedrooms and two (2) bathrooms. In this case, the City Council -- pending a recommendation from the Planning and Zoning Commission -- must consider if the request for the *Specific Use Permit (SUP)* for a *Non-Owner Occupied Short-Term Rental (STR)* would constitute a proliferation of the land use. With all that being said, a *Specific Use Permit (SUP)* is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

NOTIFICATIONS

On September 18, 2024, staff mailed 114 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Preserve and Hillcrest at the Shores Homeowners Associations (HOAs), which are the only homeowners associations or neighborhood organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received six (6) notices in opposition and three (3) notices in favor.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) for a Non-Owner Occupied Short-Term Rental (STR), then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (1) The *Subject Property* shall conform to the information provided within the Short-Term Rental Permit Application depicted in *Exhibits 'B'* of this ordinance; and,
 - (2) After the issuance of a Short-Term Rental Permit and Registration by the City of Rockwall, should the applicant allow this permit/registration to expire, lapse or be revoked by the City of Rockwall, this Specific Use Permit (SUP) shall automatically expire and be considered abandoned in accordance with Subsection 02.02, Specific Use Permit (SUP), of Article 11, Development Applications and Review Procedures, of the Unified Development Code (UDC).
- (2) Upon obtaining a Short-Term Rental Permit and Registration, should the property owner/responsible party operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outlined in the Unified Development Code (UDC), the City may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Subsection 02.02(F), Revocation, of Article 11, Development Applications and Revision Procedures, of the Unified Development Code (UDC) [*Ordinance No. 20-02*].

PLANNING AND ZONING COMMISSION

On October 15, 2024, the Planning and Zoning Commission approved a motion to recommend denial of the SUP by a vote of 6-0, with Commissioner Odom absent. According to Subsection 02.03(G), Protest of a Zoning Change, of Article 11, Development Applications and Review Procedures, of the Unified Development Code (UDC), if a zoning change "...is recommended for denial by the Planning and Zoning Commission, such zoning change or Specific Use Permit (SUP) shall require a supermajority vote (*i.e. a three-fourths vote of those members present*), with a minimum of four (4) votes in the affirmative required for approval."

CITY COUNCIL

On October 21, 2024, the City Council approved a motion to approve the applicant's request to table by a vote of 6-0, with Council Member Jorif absent.

Good morning,

My name is Joe Zylka and I own a couple of properties in the area. We have owned them for 15-30 years as long-term rental properties. Including 503 and 505 E. Heath St.

I am in opposition to the SUP. Short term rentals bring down the property conditions in my opinion for current residents. I have dealt with this in my own neighborhood in Rockwall, where the HOA finally passed an amendment to prohibit short term leasing.

I am unable to attend the public hearing, but please let me know if you have any questions or if you need further input from me.

Thanks

Dear Mayor Johannesen,

Term lengths for Appraisal District Board of Director (BOD) members will follow an altered cycle for the next couple of years, due to legislative changes stemming from Senate Bill 2. During the current BOD election, two of the five entity appointed directors will serve a term of one year, and three directors will serve a term of three years. Thereafter, all appointed directors serve four-year terms. Please see the attached election cycle table for a more detailed explanation.

Texas Property Tax Code 6.03 (j) states:

Texas Property Tax Code 6.03 (k) states:

- The governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser **before December 15**. The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before December 31.

A ballot is prepared and enclosed with the following:

- The ballot with a list of all eligible nominees, a column to list the name of entity voting and a column for number of votes cast.
- The taxing unit should complete the number of votes cast for the nominee or nominees.
- The taxing unit may only cast the total number of votes their taxing unit is entitled.
- Votes may be cast for one person or divided among multiple nominees.

Number of votes your entity is entitled to is 415

Please contact me if you have questions.

Sincerely,

Kevin Passons

MEMORANDUM

TO: Mayor and Council Members

FROM: Mary Smith, City Manager

DATE: November 1, 2024

SUBJECT: September 2024 Quarterly Budget Report

The following analysis is offered for the period ended September 30, 2024 budget report. The budget is established in broad categories with line item estimates. In each category actual expenses as a whole should be considered rather than at the line item level. The typical budget threshold for this period is 100%.

General Fund Revenues

- Sales tax revenue was slightly under budget for the fiscal year due to the large audit adjustments the Comptroller's office made. These are one-time adjustments and not expected to be repeated in the next year.
- Building Permits – have rebounded from a slow FY2023 and exceeded our expectations by 23%.
- Interest Earnings – have been extremely strong but that is due to interest rates being up but will moderate as rates begin to come down.

General Fund Expenditures

There are not any remarkable variances from budgeted expenditures. Overall, the General Fund is running at 96% of budgeted expenditures. There will be a few invoices that remain to be paid as happens at every year end but those should be minor.

We did finally begin to see a break in the logjam of vehicle purchases. Trucks from as much as 3 budgets ago finally arrived and the budgets were adjusted accordingly.

Major capital projects included in the budget including the remodel of offices for Fire Administration, Fire Marshal and several Police divisions were completed this fiscal year.

Water / Sewer Revenues

- Water sales – sales are slightly over budget estimates and sewer charges are slightly under estimates. ahead of this time of year.
- All other revenues are in line with projections as these revenues are always higher in the dry summer months.

Water / Sewer Expenditures

- All were generally within budgeted amounts. Capital – same note as in the General Fund.
