Cart Removal

If you currently have a rented Republic Services cart, you will need to have it out on Monday, December 29 to be emptied and collected. Simply put the cart on your driveway, and it will be removed during the week of the 29th.

Those who have collection on Tuesday / Friday will do the same the week of January 5. Simply put your rented Republic Services cart out on Tuesday service, and we will collect your old cart.

Everyone will receive a new recycling and garbage cart. Empty personal carts and the small recycling bins can be placed with your bulk waste if you want them removed. You may keep the small recycling bins if desired, but they will no longer be serviced.
