ADDENDUM #1
TO THE BID DOCUMENT AND SPECIFICATIONS FOR
EMERGENCY POWER GENERATORS FOR CITY FACILITIES

The addendum is an integral part of the RFB and must be signed and returned with the bid submittal or acknowledged in the bid submittal.

The purpose of this addendum is to incorporate the following changes and or clarifications to the RFB:

1. The bid due date has been changed to December 13, 2021, 2:00 PM CST. The reason for this change is to allow City staff sufficient time to reevaluate the location of The Center Gen Set and determine whether to go forward with the install of the Airport 2 Lift Station Gen Set. Expect Addendum #2 to address the Center Gen Set final location decision along with other changes and clarifications as a result of the pre bid meeting and site walk to be sent to the bidders on or before on or before November 30, 2021.

All other terms and conditions remain unchanged. If you have any questions regarding this addendum, please contact me at lewing@rockwall.com or 972-772-6418.

Respectfully,

Lea Ann Ewing
